

A  
LOVE AFFAIR  
FROM  
A<sup>2</sup>Z

starring  
DOMENICK ALLEN  
&  
LEIGH ZIMMERMAN

**"A Love Affair from A2Z"** is a musical journey that shines a spotlight on the stages of love, and the stages of life. Domenick Allen and Leigh Zimmerman (the "A2Z" in the title) have been married for 20 years. That's a wonderful and unique accomplishment in show business, where love and success don't always survive.

Leigh, winner of a 2013 Olivier Award for her performance in *A Chorus Line*, and Domenick, touring the world with his show *VINYL - The Classic Rock Experience*, have starred on many stages from Broadway to the West End to Las Vegas, in concert halls, arenas, nightclubs, and soundstages throughout their extensive careers. When her world of Theater collides with his world of Rock, it fuels the chemistry and passion between these two talented and charismatic performers who just happen to be soul mates.

Timeless songs from Kander & Ebb, Led Zeppelin, Charles Aznavour, Bonnie Raitt, Cy Coleman, Jimi Hendrix, Stephen Sondheim and many more combine to create a truly unique evening of music & comedy.

**"A Love Affair from A2Z"** is romantic, sexy, funny, naughty, and nice in one night... all the things a great love affair should make us feel!
